G **G7**
There are rainbows, in this valley,
C **G**
In the sky the sun was born.
C **G**
Not a teardrop, did I shed here,
D7 **G** **G7**
How I long to go back home.

Hui:
C **G**
Oh where can you go, my island Maui?
D7 **G** **G7**
I have left you, how I miss you so.
C **G**
Your valleys and hillsides and the ocean roars, I know,
D7 **C** **G** **D7**
I'll return, my island Maui.

ENDING:
C **G**
Your valleys and hillsides and the ocean roars, I know,
D7 **C** **G**
I'll return, my island Maui.

G **G7**
We go walking on the beaches,
C **G**
While the sun was going down.
C **G**
Yes I owe my life to Maui,
D7 **G** **G7**
For the peace that I have found. Hui, then repeat last 2 lines of Hui to finish.
