

NOBODY'S CHILD

Verse 1:

G **G7** **C**
 As I was slowly passing an orphans home one day
G **A7** **D7**
 I stopped just for a moment to watch the children play.
G **G7** **C**
 Alone a boy was standing and when I ask him why
G **D7** **G**
 He turned with eyes that could not see and he began to cry.

Chorus:

G **C**
 I'm nobody's child, I'm nobody's child
D7 **C** **G**
 I'm like a flower just growing wild.
G **C**
 No mommie's kisses or no daddy's smiles
D7 **C** **G**
 No body wants me I'm nobody's child
 (End: Repeat last line - Slowly)

Verse 2:

G **G7** **C**
 People come for children and take them for their own
G **D7** **G**
 But they all seem to pass me by and I am left alone.
G **G7** **C**
 I know they'd like to take me but when they see I'm blind
G **D7** **G**
 They always take some other child and I am left behind.

Verse 3:

G **G7** **C**
 No mommie's arms to hold me or sooth me when I cry
G **D7** **G**
 Some times it gets so lonesome here I wish that I could die.
G **G7** **C**
 I'd walk the streets of heaven where all the blind can see
G **D7** **G**
 And just like all the other kids there'd be a home for me.

(Chorus and End)
