

San Francisco Bay Blues

I got the blues for my baby down by the San Francisco Bay

A big ocean line took her so far a way

Well, I didn't mean to treat her so bad

She was the best girl I ever had

She said goodbye, gonna make me cry

gonna make me lay right down and die

Well I ain't got a nickel and I ain't got a lousy dime

If she don't come back I think I'm gonna lose my mind

If she ever comes back to stay

It's gonna be another brand new day

Walking with my baby down by the San Francicso Bay

Sitting down looking from my back door, wonder which way to go
Woman, I'm so crazy about she don't love me anymo'
Think I'm gonna take a freight train
Cause I'm feeling blue
Ride all the way to the end of the line
Thinking, sweet baby, of you

Back in another city, think I'm gonna go insane
Sounds like I heard my baby the way she used to call my name
If she ever comes back to stay
It's gonna be another brand new day
Walking with my baby down by the San Francicso Bay
