

# The Gang That Sang Heart Of My Heart – 1926

by Ben Ryan

**C Cmaj7 C Cmaj7 F G7**  
"Heart of My Heart," I love that melody;

**G7 Gdim G7 C**  
"Heart of My Heart" brings back those memories,

**A7 Gdim A7 D7 C#7 D7**  
When we were kids on the corner of the street,

**D D7**  
We were rough and ready guys,

**G7 Gdim G7**  
But, oh, how we could harmonize,

**C Cmaj7 C Cmaj7 F G7**  
"Heart of my heart", meant friends were dearer then -

**Gdim G7 E7**  
Too bad we had to part,

**A7**  
I know a tear would glisten,

**D7**  
If once more I could listen,

**C#7 D7 F G7 C**  
To the gang that sang "Heart of My Heart."
