

We'll Meet Again - 1939

F **A7**
We'll meet again,

D7 **Daug**
don't know where, don't know when

G7 **Gm7** **C7**
But I know we'll meet again some sunny day.

F **A7**
Keep smiling through,

D7 **Daug**
just like you always do,

G7
Till the blue skies

Gm7 **C7** **F**
Make the dark clouds fade away.

F7
So will you please say hello

To the folks that I know,

Bb
Tell them I won't be long.

G7
They'll be happy to know

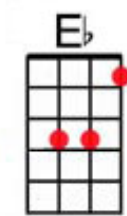

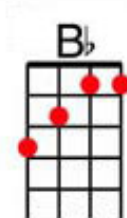

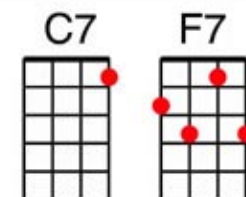

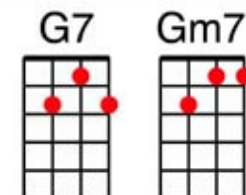

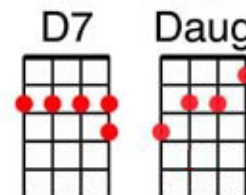

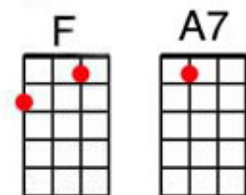

That as you saw me go,

C **Gm7** **(Eb)** **C7**
I was singing this song.

F **A7**
We'll meet again,

D7 **Daug**
don't know where don't know when.

G7 **Gm7** **C7** **F**
But I know we'll meet again some sunny day.
